

NEW ONLINE SINGING LESSONS

How it works:

1. Consultation

I will arrange a time to speak with you on the phone to discuss lessons how they will work and find out all about what you are looking to study whether that be pop or musical theatre, taking exams or singing for fun.

2. Files

I will email over some files to you which include breathing techniques, warm ups, song backing tracks and lyrics for you to print off.

3. Lesson

I will video call you via facetime or skype at the agreed time for our lesson.

Look forward to hearing from you,

Many thanks

Hayley ☺
